A beautiful partnership

From renowned Miami plastic surgeon Dr. Alan Serure, and Clarins—Europe’s No.1 prestige skin care company—comes the first MedSpa of its kind.

Clarins’ powerful plant formulas were specifically developed to optimize the quality of your skin prior to your medical procedure—and improve the way it looks, feels and heals during recovery.

Dr. Serure’s Clarins-trained Medical Aestheticians are available to perform gentle, 100% Manual MedSpa Treatments for every inch of skin, to ensure your face and body remain flawless.

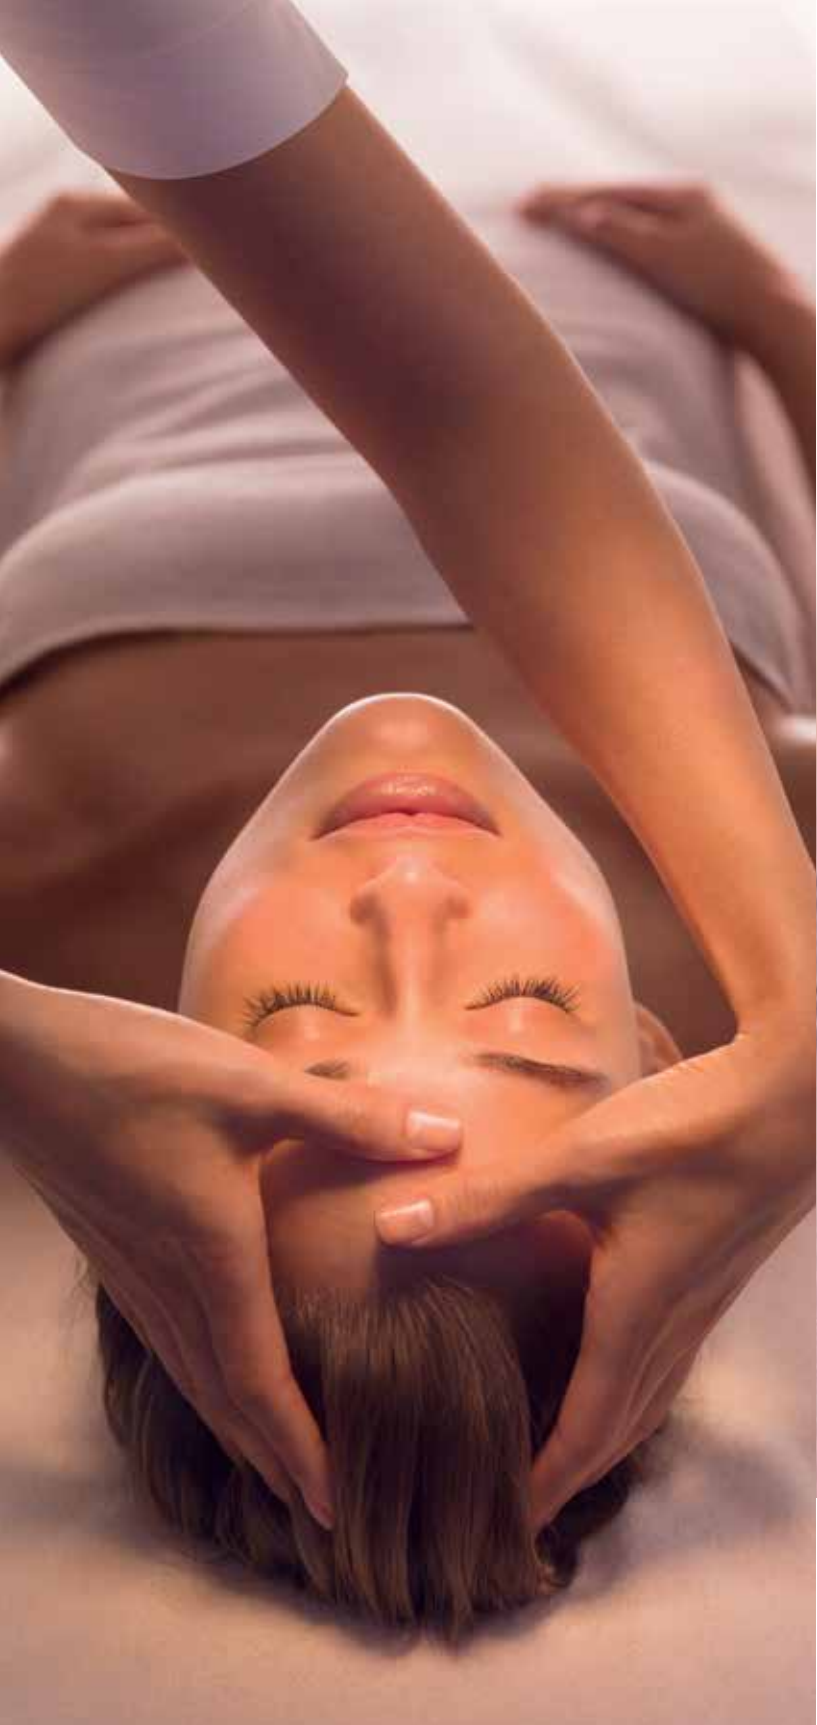

Clarins plant science

Clarins Researchers travel the world to find the most powerful plant actives; then harnesses their natural energy into concentrated CLARINSPRO Products for professional use.

Each gentle-to-skin formula contains 100% pure plant extracts that deliver visible anti-aging results —replenishment, radiance, shine-control, hydration or brightening — with benefits that are immediate, measurable and long-lasting.

Whether you're visiting Dr. Alan Serure Skin Spa by Clarins for pre-op, post-op or regular beauty maintenance—you'll experience the perfect combination of beauty expertise and plant science for the most natural-looking results.

Clarins Anti-Aging Facials

NEW

Super Restorative Facial

Unrivaled anti-aging action and age spot correction. Clarins' intensive replenishing facial is powered by exclusive, new organic Harungana Leaf—the “healing” plant from Madagascar. After just one treatment, skin's density and radiance are visibly restored. Deep wrinkles are noticeably diminished. A complimentary Dark Spot Correcting Hand Treatment is all part of the pampering.

Lifting Line Smoother

Exclusive youth-recovery treatment boosts skin's vital functions. Exceptional toning and firming benefits help “lift” the appearance of lines.

Radiance Reviver

Intensive rebalancing treatment for skin that shows signs of stress due to a busy lifestyle. Minimizes the appearance of early wrinkles. Helps smooth, tone and renew radiance.

Clarins Skin Solution Facials

Detox & Shine Stopper

Gentle facial contains purifying plant extracts that rebalance combination or oily skin. Removes sebum and refines pores leaving skin clean, matte and shine-free.

Moisture Replenisher

Super-hydrating facial supplies intensive moisture to dehydrated skin. Nourishes, softens and restores a youthful-looking radiance.

Skin Healer

A soothing treatment specifically developed for sensitive skin. Helps repair and restore skin's natural defenses. Relieves redness, unifies the complexion, calms irritations.

Brightening Performer

Advanced brightening treatment helps reduce the appearance of dark spots. Restores the fresh, rosy transparency of youthful-looking skin.

Clarins Body Treatments

The Body Lift Sculptor

Exclusive slimming treatment releases excess fluids to refine skin, streamline contours and promote a lighter-feeling body.

The Firming Age Corrector

Anti-aging body treatment helps restore a firm, toned, supple skin texture and beautifully-defined body contours.

The Sun Glow

Moisture-rich tanning treatment for face and body creates a natural-looking, healthy glow and a satin-smooth skin texture.

Mother-To-Be Treatment

Face and body pampering specially created to treat skin during the pre- and post-natal stages of pregnancy. Eases backaches, fluid retention, stress, fatigue and heavy-feeling legs. Improves skin tone and elasticity.

Clarins Pre- & Post-Op Services

Pre-Op Treatments

Preparing your skin prior to surgery is key to achieving optimal results. Our Clarins-trained Medical Aestheticians are available to perform pre-op spa services that will get your skin into prime condition, so it can recover more easily from your procedure.

After the service, your Aesthetician will recommend a gentle Clarins home care routine that will help maintain the results of your surgery.

Post-Op Treatments

To accelerate the healing process, Dr. Alan Serure Skin Spa by Clarins combines gentle, 100% manual lymphatic draining methods with products specifically developed to manage post-surgical numbness, swelling and bruising.

With the use of ABM-RF, LED technology, these exclusive therapies can be customized to each patient's post-op concerns.

Special Occasion Packages

Ask about our wedding and prom packages. If you have a special treatment request, or upcoming event, our Beauty Experts and Medical Aestheticians will be delighted to advise you.
